

EXPERT PROFILE

DR. JOHN LANCASTER
DELAY EXPERT

Qualifications:

PhD Project Schedule Optimisation; MSc Engineering Management; CEng; CSci; EurIng - FEANI; Engineers Certificate of Competance - Mechanical; National Diploma - Mechanical Engineering

Memberships and Associations:

FIMechE; FIMMM; FIED; FACostE MAE

Contract Experience:

FIDIC
NEC

Presentations and Training:

Numerous presentations based on delay analysis

Sectors:

Energy
Marine
Mining
Oil and Gas
Process and Industrial

Geographic experience:

Africa
Americas
Asia Pacific
Europe
Middle East
United Kingdom

Highlights:

- Chartered Mechanical Engineer and Chartered Scientist
- Over 30 years of industry experience in oil and gas, mining and metallurgy
- Wide international experience
- Specialist in delay analysis
- Extensive experience in the Oil and Gas sector
- Extensive live project experience

Summary:

Dr John Lancaster is a chartered mechanical engineer with over 30 years of experience spanning roles from a full mechanical apprenticeship, design engineering, project management, project controls, planning, general management, and delay analysis including provision of testifying expert witness services.

John has extensive experience in Oil & Gas, which extends from Exploration Drilling, Offshore Field Development, Onshore LNG facilities, LPG Plants, Refineries, Onshore and Offshore Pipelines (Fabrication and Installation), Storage facilities, Semi-Submersible FPS, Jack-Ups, FPSOs, FLNG etc. and has represented Governmental bodies, International and National Oil Companies, EPCM Contractors, EPC Contractors, and lower tier sub-contractors, in both formal and informal dispute resolution.

His sector experience also extends to cover the mining and metallurgy process sector including: Onshore and Offshore Diamond Mining, Platinum Mining, Ilmenite process and smelting, Coal processing, Aluminium Smelting and Steel Production as well as the power sector where John has worked on Coal fired, Co-Generation and Combined Cycle power stations.

John's has lived and worked in Europe, Africa, the Middle East, Asia, US and Australia.

This expert has recently been instructed by:

- Eldan Law
- Hogan Lovells International
- Watson Farley Williams
- Wong Partnership
- Herbert Smith Freehills
